

ITEC PROGRAMME ON

BUDGETING, ACCOUNTING AND FINANCIAL MANAGEMENT IN GOVERNMENT SECTOR

07th to 25th January, 2019

● About NIFM

The National Institute of Financial Management (NIFM) is a *Centre of Excellence* specializing in capacity building of professionals in the fields of Public Policy, Financial Management and other governance issues for promoting highest standards of professional competence and practice. NIFM is a premier resource center for the capacity building of senior, middle and entry level of management in Government of India. NIFM also caters to the training needs of State Governments, Defence establishments, banks and other financial institutions. Training programmes are customized and executed for the officials from other countries as well.

NIFM plays a pivotal role in governance and administrative reforms by providing a platform for interaction and exchange of ideas & experiences among officers from different organized services, different state governments and between personnel of civil and defence establishments.

Apart from capacity building, NIFM is also engaged in serious research studies in the areas of accounting, audit, financial management, parliamentary financial control and other issues related to public policy and delivery systems. The outcome of such research studies are published and disseminated through research papers, journals and books.

NIFM has a sprawling lush green campus of 42 acres situated in N.C.R having unique architectural design. It has state-of-art lecture halls, computer labs, hostels, indoor and outdoor sports complex and library.

It introduce the participants with modern tools and techniques of Budgeting, Accounting and Public Expenditure Management. In addition emerging concepts in Public Accounting, strengthening of Government Financial System and Good Governance in Government shall also be covered.

● Objectives of the Programme

The objectives of the programme is as follows:

- to develop the understanding of the process of budgeting, linkages between the budget and monetary policy and budgetary reforms;
- to introduce the emerging concepts in budgeting like performance budgeting, outcome budgeting, zero based budgeting and gender budgeting;
- to develop the understanding of financial statements to appraise an organization's performance through the analysis of financial statements;
- to appraise participants of the basic concepts of financial management such as time value of money, risk return trade off, cost accounting, budgeting etc;
