TRAINING PROGRAM ON PUBLIC PROCUREMENT (ADVANCED)

About AJNIFM

The Arun Jaitley National Institute of Financial Management (AJNIFM) is a Centre of Excellence specializing in capacity building of professionals in the fields of public policy, financial management and other governance issues for promoting highest standards of professional competence and practice. AJNIFM is a premier resource center for the capacity building of senior, middle and entry level of management in Government of India. AJNIFM also caters to the training needs of state governments, defence establishments, banks, autonomous bodies, local government, public sector undertakings and other financial institutions. Training Programmes are customized and executed for the officials from other countries as well. Apart from capacity building, AJNIFM is also engaged in research studies in the areas of accounting, audit, financial management, parliamentary financial control and other issues related to public policy and delivery systems.

AJNIFM has a sprawling, lush, green campus of forty two acres situated in Faridabad, N.C.R. It has state-of-art training halls, computer labs, hostels, indoor and outdoor sports complex and library having unique architectural design.

About this course

Large amount of public funds are being spent on public procurement for which specific rules and procedures have been framed. It is imperative that the executives/officers/ staff engaged in public procurement & arbitration possess thorough knowledge of all the relevant rules, regulations and procedures of public procurement, & arbitration

Ministry of Finance, Government of India has identified AJNIFM as the nodal agency for conducting training programmes on these subjects with a view to educating and familiarizing the concerned executives/officers with all the relevant rules and procedures of public procurement. AJNIFM receives active support from Public Procurement Division of Ministry of Finance, Government of India in this regard. AJNIFM has been conducting such training Programmes regularly since 1996.

Pedagogy and Faculty

AJNIFM offers very high quality training solutions for all types of public procurement of goods, works and consulting services. The Institute has vast intellectual resources to meet the ever increasing demand of building public procurement capacity. Training modules and online session plans have been carefully designed to cover both the theories and practices of public procurement with case studies, group discussions etc. The faculty comprise academics of AJNIFM and leading experts who have about four decade's experience in various areas of public procurement, including policy formulation. Many are currently engaged as senior consultants/advisers/trainers in various organizations like the World Bank, government departments, Competition Commission of India and consulting firms.

For Whom and Duration

All officers and staff presently dealing with or are likely to be associated with public procurement of goods, works and services (from Procurement, Finance, Technical / user departments and Audit) should attend. This is a five days online/residential training programme.
